Celebrating the life of

Judith Bisset

29 March 1944 ~ 24 April 2023

Abide with Me

Abide with me! fast falls the eventide;
The darkness deepens; Lord, with me abide!
When other helpers fail and comforts flee,
Help of the helpless, O, abide with me.

Swift to its close ebbs out life's little day;
Earth's joys grow dim, its glories pass away;
Change and decay in all around I see;
O Thou who changest not, abide with me.

I need Thy presence every passing hour:
What but Thy grace can foil the tempter's power?
Who like Thyself my guide and stay can be?
Through cloud and sunshine, O, abide with me.

I fear no foe, with Thee at hand to bless:
Ills have no weight, and tears no bitterness:
Where is death's sting? where, grave, thy victory?
I triumph still, if Thou abide with me.

Hold Thou Thy cross before my closing eyes,
Shine through the gloom, and point me to the skies;
Heaven's morning breaks, and earth's vain shadows flee;
In life, in death, O Lord, abide with me!
